LEGISLATION 6:32 PM

-Opened Public Hearing Local Law #2023-02 Tax Exemptions for Volunteer Firefighters and Ambulance Workers
-The Town Board, along with 2 Fire Fighter representatives, discussed the pros to this resolution hoping by giving an incentive to encourage more people to volunteer as fire fighters. Also discussed was the State Exemption of \$200 vs the 10% Tax Exemption before us tonight.
-Fire Policeman Bob Zurlo stated he understood that the 10% Tax Exemption is taken from your Property Tax bill not the homeowner's assessment value. Therefore most fire fighters he believes would benefit more from the State Exemption of \$200.
-Supervisor Bardascini stated by passing this resolution it gives the volunteer workers some leverage to fight on the State Level in the future.
-Also discussed was the possibility that with the high costs to maintain a volunteer Fire Dept., someday the County may have to take over at an even higher cost to the Town.
-Discussion took place to add the word Volunteer in front of the ambulance workers prior to approving the resolution.

On a motion made by Supervisor Bardascini and seconded by Councilman Kissinger A motion to add the word "volunteer" before the word "ambulance" on this resolution for clarification.

No further discussion;

CLOSE OUT MEETING

The Public Hearing on Local Law #2 of 2023 was closed at 6:52

On a motion made by Councilman Kissinger and seconded by Councilwoman Pasquarelli
**A LOCAL LAW TO PROVIDE REAL PROPERTY TAX EXEMPTIONS FOR VOLUNTEER FIREFIGHTERS
AND VOLUNTEER AMBULANCE WORKERS PURSUANT TO SECTION 466-A OF THE REAL
PROPERTY TAX LAW**

Section 1: Legislative Intent:

Volunteer fire and volunteer ambulance members provide our community with valuable emergency and lifesaving services. Members spend countless hours and their own personal finances for the betterment of their services and their community.

In addition, by volunteering, these persons keep local property taxes at a heavily reduced rate compared to areas with paid members. The Town Board of the Town of Broadalbin finds it appropriate to recognize these volunteers for the countless hours they spend on behalf of the community as well as to provide a benefit and incentive for future volunteer service. This exemption only applies to the Town portion of the property tax bill.

Pursuant to the Laws of 2022, Section 466-A of the RPTL was amended in such a way to render volunteer fire and volunteer ambulance members throughout the State of New York to be eligible for this exemption under certain circumstances. Earlier this year, the Fulton County Board of Supervisors ratified a local law granting the instant exemption on County Level and the intention of the instant local law is to provide this exemption on the town level.

Section 2: Enactment

BE IT ENACTED BY THE TOWN BOARD OF THE TOWN OF BROADALBIN, NEW YORK AS FOLLOWS:

Exemption Granted.

A. Any qualified member who has been certified by the authority having jurisdiction (hereinafter the "AHJ") for the incorporated volunteer fire company, fire department or the volunteer ambulance service as an enrolled member of such incorporated volunteer fire company, fire department or volunteer ambulance service shall be entitled to a 10% reduction in the taxable value of their real property for Town real property tax purposes so long as:

2. The real property in question serves as the primary residence of the applicant;

3. The real property in question is used exclusively for residential purposes, provided however, that in the event any portion of such property is not used exclusively for the applicant's primary residence but is instead used for other purposes, such portion shall be subject to taxation and the remaining portion only shall be entitled to the exemption provided for under this Section;
 4. The applicant has been an enrolled member of incorporated volunteer fire company, fire department or volunteer ambulance service for at least 5 years prior to submitting an application for tax exemption; and
 5. 1. The AHJ certifies that the un-married surviving spouse is eligible for the exemption;
 2. The volunteer had accumulated at least 5 years of service;
 3. The real property in question continues to serve as the primary residence of the surviving spouse; and
